Death cult of Judaism, hell hole of Israel – no wonder they put on a skull cap on their heads! According to the new testament, in Matthew 23, Judaism will be destroyed and obliterated at the second advent of Jesus Christ (Luke 21:20-24). Religious jews deserve death for consenting to the deicide of Jesus Christ (Luke 19:27). Jews are the ''seed of the serpent'' Gen. 3:15 – they have ''followed the way of Cain'' Jude 11. They are the curse and scum of the earth. They are the bastard and bully nation of the middle East. Jewish vermin! Zionist terrorists! Jewish World domination over the Goyim (non jewish ''human cattle'') is a fact (Protocols of Zion)! It has always been their plan, and the only enemy and antithesis to their plan was and is fundamental, non-zionist, Christianity. For this reason, Christianity is their main target. Jews have killed Christ, and now in the end times, they will kill christians (Matthew 23:33-35, John 16:2, Revelation 20:4). The Bible teaches antisemitism and anti-faggotry - The Bible itself is antisemitic, for it proves the downfall of the Jews through their adamant rejection of Jesus Christ as God and Messiah (Romans 9 and 11). Only the believing Israelites were God's chosen people (or ''elect'') in the Old testament. Today, the church, who is made of all believers, is the Israel of God (Gal. 6:16, Eph. 3:20-21). Piss be upon the antichristian, unholy Isra-hell! The Jews are the chosen people of Lucifer. They are the ''synagogue of Satan'' (Revelation 2:9, 3:9). They are chosen to bring in the antichrist and world government with all the power, signs and lying wonders of the devil (2Thess. Chapter 2). A counterfeit of the true church, God's church- or the Israel of God - using Gentile Masonry as recruiting grounds and ''agentur''. The jews, since the dawn of humanity, have been rebellious, covetous, evil, and despotic. Cain killed Abel, Jews killed Jesus Christ, martyred Stephen, and in recent times, invented Socalism/ultra capitalism (money out of thin air with the Rothschilds, communism with the jews in Russia), built up Zionism in Britain, and wrought havock in all of Europe with their contrived global wars on the innocent christian populace, stole land from the palestinians, destroyed the USS Liberty, bombed the world trade center (the 5 dancing Israelis), and vaxxed multiplied hundreds of millions of people with a deadly jab (yes, the Microsoft virus), and now demolished the whole of Gaza. They will not stop until they attain world conquest, by war or by consent. In the future, they will behead all christians under the Noahide laws ''jewish law against blasphemy/polytheism (which are aimed at christians who believe in Jesus and the trinity/Godhead''. They must be opposed by all!
